About the Lucian Singers

The Lucian Singers is the liturgical choir of the Anglican Parish of Christ Church St Lucia. Since its formation in over thirty years ago this choir has contributed to the worship life of the Parish by singing at the regular worship services of that church. Under the leadership of Graeme Morton, the choir sings at the weekly 9.00am Sunday Eucharist as well as the major Feast Days of the Christian Year. In addition, the choir gives regular recital programmes, is invited to perform at St John's Cathedral services on occasions throughout the year and participates in the Parish life by organising activities of a social and musical nature in which the Parish as a whole can participate. The choir currently has a membership of about fifty-five singers.

The music performed reflects the traditional sacred music of the English and Continental traditions from the Renaissance to the current day, giving a wide and varied nature to the music performed.
